## **Title of the Event**

### **Objectives**

1. Community engagement in preserving nature and environment
2. Showcasing the beautiful nature of the world and hence attracting the tourists

### **Outcome**

Though outcomes are not the immediate effect of the event, yet the following are some of the outcomes that will come out of the event and sustained effect thereafter. Odisha is a very less explored considering its high cultural and ecological diversities. This can be tapped through popular events in one hand and sustained effort in capacity building in various areas. In both cases there is enough potential in Odisha which has to be harnessed. Tourism employs approximately four times human resource that of manufacturing. This sector also boasts the other sectors including manufacturing. Hence the interrelated areas will get better resources. The following are some of the outcomes.

1. Generating employment through cultural tourism, ecotourism in particular and tourism in general
2. Generating new skills in the tourism sector in general by conceptualising emerging areas that are in demand.

### **Who is it for?**

One who is interested in the above objectives are welcome to join the event. Specifically we encourage the person who is passionate about environment. Person who want to engage or devote himself for community development. Person who want to reconnect to roots. Person who want to learn Odisha culture. Who is keen in preserving culture? Who is passionate about cycling and reducing carbon footprints?

### **About Konark International Cyclothon?**

Konark International Cyclothon, is not a race or competition but promoting environment friendly Cycling revolution to make people aware about their environment, heritage, effects of climate change, protection of their ecology and promoting cycling as an alternate mode of communication. It's an attempt made by Roots of Odisha Foundation to boost bicycle culture in tourist places of Odisha.

Roots of Odisha Foundation (ROOF) is a registered non-governmental organization. ROOF is working deeply for the promotion of brand Odisha across the Globe. ROOF invests time, energy and resources to work in the areas of environment, school education, skills development, health, tourism, youth empowerment etc.. Like minded individuals from different walks of life in India and abroad have come together to establish ROOF as a platform that not only highlights issues and challenges that Odisha faces but actively participates and joins the government, citizens, industry, media and NGOs to work towards solution of the problems.

## Why this year is different?

We have decreased daily distance from 200 km last year to 90km -100km this year just because we want to work more in rural areas. We want our cyclist to find solutions to rural issues and accept them as a challenge and also same time want them to learn how urban issues can be solved using rural concepts. More and more interaction with local community.

The Event aims

- Sensitizing local communities on need to conserve this ecosystem
- Sensitizing children on the need to conserve this ecosystem
- Spread the message of the need for wildlife conservation and conservation of Balukhand-Konark area amongst the district level government functionaries and media

## AGENDA

1. Contacting Divisional Forest Officer, Puri Wildlife Division, Bhubaneswar for planting at least 100 plants inside the sanctuary.
2. Cycling and essay writing competition in different government school enroute. This competition indeed has a great impact on young mind and will motivate them to work for conservation of nature and culture. It will develop wining spirit in children's. Prizes and certificates to be given to winners.
3. Cycle rally in Berhampur (oldest and biggest city of Odisha). Lots of government and private schools and colleges.
4. 2 big cycle rally with maximum participation one in konark and other in Berhampur.

## Concept:

20 participants will be distributed into 6 teams each consisting of 3 or 4 riders. One rider of a team is appointed as team captain. Team captain is responsible for completion of task given to team on daily basis. Unique task is given to each team with some time limits.

In a team of 3 members:

1. Captain: Can be able to communicate with local and lead a team.
2. Photographer: you don't need to be professional but at least good at taken clicks of event/task given to you.
3. Writer: Team has to write daily schedule and interaction they have with different person. So writer must be able to maintain log book.

## What is included?

1. Checkpoint will be made at 40 km intervals. We are keen in making some local restaurants or shop as checkpoint. Your rider card will be signed or stamped at checkpoints.
2. Daily you will be given coupons to purchase to have coffee or tea on the way (only be used on specific check points). Daily coupons are valid for same day only.
3. Breakfast and Dinner buffet on all days.
4. Accommodation: Sharing basis .You have to share a room with your teammates. (We can say 2 star hotel is luxury for riders during 6 day ride).
5. Insurance: Accidental/ Travel insurance worth Rs 2 Lakh per rider.
6. Transport back to Konark from wherever the tour ends.
7. Two pair of Tour Jersey and other goodies.
8. Pre Tour Briefing Hi Tea / Dinner and Cool Off Party Dinner for the riders.
